

PULASKI COUNTY SPECIAL SCHOOL DISTRICT

PERSONNEL POLICIES FOR CERTIFIED STAFF 2017-2018

PROMOTION AND TRANSFER POLICY

The general policy of the District is to employ the most able and best qualified persons with the proper credentials for all positions. However, PCSSD favors promotions from within so that where, in the opinion of the administration, ability, qualifications, and credentials of an existing employee are equal to those of an outside applicant, the existing employee will be favored for promotion.

Normally this will be accomplished by licensed employees within the District being extended the advantage of first consideration for promotion.

Vacant or new positions shall be advertised internally and externally by the administration. The administration shall in its sole discretion determine the minimum qualifications related to degrees, certifications, experience, and the like, for each position and clearly state the same in the written notice of vacancy. Internal advertising will be by posting of vacancies within the various buildings and at the central office. The duration of inside and outside advertising, and the media and targets for outside advertising, will be determined by the administration. Deadlines for applying shall be clearly stated on the face of any advertisements or notices.

All teachers are subject to assignment and transfer at the direction of the Superintendent. Insofar as possible, teachers shall be assigned to positions for which they are best qualified. Also, while keeping in mind the needs of students, the need to have a balanced faculty, and in the interest of efficiency and economy, reasonable effort shall be made to honor teacher preference in assignments. When a tentative decision has been made to transfer a teacher to another school, he/she will be notified by the Superintendent or his or her designee. When the tentative assignment involves changes within a building, the teacher will be notified by the principal. In all transfer cases, every effort will be made to advise the teacher involved at the earliest possible time.

Posting of Vacancies

1. Vacancies shall be posted on the District website.
2. The recall of all appropriate teachers who are laid-off may occur before the posting of any vacancy in the affected teacher's certification area(s).

3. Vacancies occurring after the teacher report day will be posted as a temporary one-year position.
4. Posting shall occur within five (5) days after the Human Resources Division receives a signed resignation.
5. Postings shall contain listings of schools, positions available, and if applicable, qualifications to be met for administrative positions.
6. A posted position will remain open ten (10) days from the date of the announcement.
7. An opening which occurs without a ten (10) day written notice will be considered an emergency. Such an opening may be filled without regard to the provisions of this Policy.

Voluntary Transfer Request Procedure

1. Teachers desiring a transfer must give written notice on or after November 1 of each year.
 - a. Transfer request forms are available to be completed online on the District's website at pcssd.org.
 - b. The transfer request shall remain effective through November 1 of the next year or until specifically withdrawn in writing by the requesting teacher.
 - c. The transfer request must be renewed annually.
2. A formal request for transfer must be processed through the Human Resources Division and be on file with the principal of the requested school. The principal will acknowledge receipt by sending a signed copy of the transfer request to the teacher.
3. Vacancies will be filled with the most qualified candidate from the applicant pool. In the event of a tie, the administrator or hiring manager will make the final decision.
4. No in-district voluntary transfers will be granted after August 1 without the approval of the building administrators and the Director of Human Resources.

Involuntary Transfer

1. In determining an involuntary transfer of teachers from one school to another, a review of each particular school situation must be conducted and will be based upon any of the following:
 - a. The District Affirmative Action Transfer Procedure (see Appendix) and/or goals.
 - b. Program needs and/or changes.
 - c. Enrollment changes due to student population shifts.
2. The involuntarily transferred teacher(s) will be identified based upon their District seniority and certification area or endorsement.
3. The involuntary transfer(s) identification procedure will be implemented as follows:
 - a. Attrition and volunteers will be used to achieve the desired reduction in an effort to avoid involuntary transfers.
 - b. If there are more teachers who volunteer to transfer than is necessary, then the most senior eligible teacher(s) will be identified to achieve the necessary reduction in force.
 - c. If involuntary transfers are necessary, the teacher who has the least seniority in a certification area or endorsement in the affected program shall be transferred.
 - d. No teacher will be allowed to volunteer to be involuntarily transferred if they are currently on an Individual Improvement Plan.
4. When the specific involuntarily transferred teacher(s) has been identified, the principal or immediate supervisor will personally inform the teacher in writing the reason(s) why the teacher is being involuntarily transferred.
5. To acknowledge receipt of the notification, the involuntarily transferred teacher will sign a copy of the written notice.

6. Beginning May 1 each year, volunteers and involuntarily transferred teachers will be assigned accordingly by District seniority by the Human Resources Division to existing vacancies or to vacancies as they occur for which they are qualified and certified.
7. When it becomes necessary to assign a permanent teacher in a one-year temporary assignment at a school, the teacher will be placed in the involuntary transfer pool in May of the following year to be assigned.

Rights of Involuntarily Transferred Teacher

1. Teachers who have been involuntarily transferred will be assigned to a position prior to routine teacher assignments.
2. Should a position become available, involuntarily transferred teachers shall be given the opportunity to relocate to their original school should a vacancy occur prior to August 1.
3. After August 1 involuntarily transferred teachers may not relocate to their original school until the following school year.
4. Involuntarily transferred teachers must provide written notification of intent to return to their original school by May 1 to the Director of Human Resources.

3. Positions will not be filled prior to the deadline date for receipt of applications.

1. Transfer requests of teachers will be given priority consideration, prior to employment of outside applicants.

3. Posting of vacancies for positions that involve supplemental contracts will be posted on the District website.
4. Positions will not be filled prior to the deadline date for receipt of applications.

PROMOTION AND EMPLOYMENT FOR ABOVE ENTRY LEVEL POSITION

The District recognizes the benefit of providing career advancement opportunities to employees within the system. The District also recognizes that in some instances it may be beneficial to employ from outside the district. The following procedure will be used to fill vacancies that are above entry level:

- Job announcements are posted on the district website, sent to all schools, auxiliary units, the teacher organization, and to various outside agencies. The job announcement will include: position title, minimum qualifications, job description, salary information, job goal, the terms of employment and application procedure. All job announcements will be reviewed by the Office of Desegregation and Human Resources prior to dissemination.
- Application Process -- All applicants are required to submit a letter of intent for administrative openings prior to the deadline of each posting. In-District applicants are required to submit a letter of intent and a current resume when applying for each position. Out-of-District applicants are required to submit a completed professional application for employment in addition to the letter of intent for the particular opening. The completed application must include a copy of a valid teaching certificate, resume, and transcripts. All applications are kept current for one (1) calendar year.
- Interview Committee -- The appropriate assistant superintendent in conjunction with the office of desegregation will set up a bi-racial interview committee, chaired by the immediate supervisor. This committee may vary in size and make-up as needs dictate. The interview committee will screen all applications to determine whether the applicant meets the minimum qualifications for the position. The interview committee will provide written notification to the individuals who do not meet the minimum qualifications. All candidates meeting the minimum qualifications will be offered a personal interview.
- Interview Process -- The interview committee will evaluate past performance on the basis of references and/or evaluations prior to making a recommendation.

The interview committee will compile a list of questions that will be asked of each candidate. The questions will be used to acquire information related to the following:

- obtain further information regarding background and experience
- evaluate ability to work with people
- evaluate management skills (i.e., planning, organization and follow-up)
- evaluate communication skills
- supervisory skills (i.e., problem solving, conflict resolution)
- commitment to desegregation
- other questions applicable to the specific position may be developed as necessary
